Dear Members

SEMINAR : KISAH BENAR – RETHINKING BUILDING SAFETY FOR MALLS

As you may be aware, we shall be embarking on a new EDUCATION SERIES of seminars in 2017 and to start off, we shall be co-organising the abovesaid with Architech Centre SB, a subsidiary of Pertubuhan Arkitek Malaysia (PAM) as follows:

Date: Tuesday, 23 May 2017
Time: 9.00 am to 4.00 pm
Venue: The Zenith, CCEC Vertical
Nexus Bangsar South, Kuala Lumpur
Fees: RM901 per pax for members (including GST)

Safety is not an option and will always be an important element in the management of buildings, particularly in shopping malls where thousands of patrons visit on a daily basis. Awareness and education is the key to the well being for these patrons as well as for mall personnel, particularly those in the operations and maintenance functions.

Our seminar takes a look at the various aspects of safety, focusing on building design and operations. Our speakers are well-qualified and experienced practitioners and specialists in their various fields of lifts and escalators, fire safety and mall management. Please refer to the attached brochure for further details of the seminar programme.

Interested participants are requested to register with us before the **closing date of Monday 8 May 2017** as seats are limited to a maximum of 80 pax on a first-come-first-served basis. In the meantime, please do not hesitate to contact secretariat@ppkm.org.my if you need further details. Thank you.

Yours faithfully
